CAMPAIGN TO UP IVF AGE TO 42-YEAR-OLDS

Record-breaking row on the cards

A PAIR of adventurers will put true camaraderie on show as they try to break the world record rowing across the Indian Ocean.

Cancer survivor Ashley Williams and Basingstoke expedition addict, James Ketchell, will attempt the risky feat - which has been attempted by less people who have been into outer space.

To make things more tricky, Ashley is a severe epileptic who has seizures up to twice a week.

Captain Ketch will be looking after Ashley throughout the entire trip – from Geraldton, Western Australia to Port Louis, Mauritius.

They plan to complete the voyage in a record-breaking 80 days.

WOMEN up to 42 years old should be given IVF treatment on the NHS, Basingstoke MP Maria Miller has urged.

But an NHS boss for North Hampshire said upping the treatment's age limit from 35 to 42 in the county would cost more than £14million.

Mrs Miller (right) spoke out last Thursday joining a call to raise the age limit.

She said: "Most women don't start a family until they are 30 and it can take years to find out they need IVF treatment to conceive.

"Hampshire's rules have not kept pace with the decisions couples are making to have children later in life."

National Institute for Health and Care Excellence (NICE) - the body which advises the NHS on how to improve health care – states IVF treatment should be available on the NHS to women up to the age of 42 years old.

Plans to reduce debt problems

PLANS to help people with severe debt problems in Basingstoke were being considered last night as the Observer went to print.

Basingstoke and Deane Borough Council's community environment and partnerships committee discussed solutions to stop people in the borough getting into serious debt.

They included restrictions on high value gambling machines and introducing financial advice training in community centres.

The number of payday loan shops in certain areas of Basingstoke could also be capped.

By **Mathew Di Salvo**
mathew@taylornewspapers.co.uk

Councillor Paul Miller, who sits on the committee, told the Observer ahead of the meeting: "The recommendations need to be treated very carefully.

"How achievable are they is the question."

The plans were put together after a motion raised at a full council meeting last year in which concerns were raised about severe debt problems and the number of loan companies in the borough charging huge interest rates.

Possible recommendations could also include creating an ethical lettings policy with council owned buildings and plans to put local credit union in the town centre.

A way this could be done is with the use of an article A4 direction.

The restriction on payday loans companies could be done by demand planning permission for developments that would not usually require planning permission.

For example, if a takeaway, pub, bar or restaurant were to convert to a betting shop, the council could place restrictions on this and ask for planning permission - which could then be rejected.

Cllr Miller added: "We need to make the public aware of what they are walking into when they go to one of these shops.

"It can be very tricky to stop the general public.

"You will be trying to protect them from themselves."

For an update on the outcome of the meeting, go to basingstokeobserver.co.uk or see next week's Basingstoke Observer.

NHS boss calls IVF age change 'unworkable'

·From front

Mrs Miller added: "Hampshire needs to adopt NICE guidance and allow women up to the age of 42 to have access to IVF.

"Our local NHS has to make difficult decisions about how to use NHS funding but having an unrealistic age limit on access to treatment simply causes frustration."

But Dr Sam Hullah, the chief clinical officer for North Hampshire Clinical Commissioning Group (CCG) – which organises the delivery of NHS services – told the Observer on Monday raising the age range would be 'unworkable'.

He said: "Commissioners don't feel it represents a good use of NHS resource to offer it above that age.

"The NICE guideline is what it is, a guideline, and not mandatory. Commissioners have a statutory obligation to live within their resource.

"If Hampshire CCGs were to move towards meeting the full guideline, the cost to commissioners in Hampshire and the Isle of Wight would be £14.5m a year compared to the current spend of £1.3m.

"This would simply be unworkable for the local health economy to support given that this remains a low priority as, even in the most healthy younger couples, it carries an at best, one in three success rate."

The NHS is running a consultation until Sunday, October 19, across Hampshire.

Basingstoke Live to be privatised

PLANS to privatise the way Basingstoke Live is run were due to be discussed by councillors last night as the Observer went to print.

Basingstoke and Deane Borough Council's Commissioning Outcome Group (COG) has recommended handing over the planning of the annual music event to an outside company.

Last year 33,000 attended Basingstoke Live in War Memorial Park - which cost the council £129,000 but is free to go to.

To cut the costs by 60 per cent the council is planning to outsource the event.

But councillor Paul Harvey said: "I think this will completely change the whole nature of these valued and well attended events and I'm worried about how a commercial operator will run the events and also how they would intend to make a profit on them."

Cllr Harvey also stated that people who are involved in the organising of the event are already being made redundant.

The meeting was at the council's civic offices in London Road.

The challenge of a lifetime

• (Left to right) James Ketchell and Ashley Wilson in the boat they will row across the Indian Ocean and (top right) the Observer's front page when Captain Ketch scaled Everest in 2011

HE has conquered Everest, and cycled the globe.

But Basingstoke's serial adventurer James Ketchell has not yet broken a world record.

In a bid to crack that challenge - and raise £100,000 for three charities along the way - Captain Ketch is planning to row the Indian Ocean in 80 days with epileptic cancer surviver Ashley Wilson.

Last weekend in London's docklands, the pair tested out the specially designed boat they will be using ahead of the heroic feat in May.

Mr Ketchell, 32, the only man to have cycled around the world, climb Mount Everest and row across the Atlantic Ocean, said: "The boat was phenomenal on Saturday.

"It has got so much potential.

"I have rowed long distances before but the Indian Ocean challenge is a real big one.

"The dynamic of rowing such a massive distance while making sure I support Ash will be a real challenge, but I am convinced that if we look after each other we can make a safe and fast crossing."

Not only will the task be physically demanding, with the two travelling 3,600 miles from Australia to Mauritius, but Ashley also has seizures twice a week.

By **Mathew Di Salvo**
mathew@taylornewspapers.co.uk

This means Mr Ketchell will have to look after him during the trip.

Ashley, 36, from Wickham in Hampshire, who is currently in remission from Hodgkin's Lymphoma, said: "I have always been a fighter and am certainly not one to ever give up.

"By attempting to row the Indian Ocean, I wanted to prove to everyone my condition does not affect my ambition and ability to be a world record holder."

The shark-infested Indian Ocean – one of the least rowed in the world, and third largest, has been rowed in 85 days two hours and five minutes.

They will be raising money for The Scout Association, Young Epilepsy, and the Elifar Foundation.

"We are doing this to inspire and motivate as many young people as we can to pursue their own dreams," Captain Ketch added.

"When you put your mind to something it is not as difficult as you think. Taking the first step is the hardest part."

29 bike thefts

BASINGSTOKE: Thieves stole 29 bikes in Basingstoke last month.

Most were stolen from the town centre, as well as in Brighton Hill and Hatch Warren.

A 17-year-old Basingstoke boy has been charged with two offences of handling stolen goods after two bikes were stolen in September.

He will be appearing at Basingstoke Magistrates Court on December 11.

Police are urging people to lock up bikes.

Teen inquest

BASINGSTOKE: An inquest into a Basingstoke teenager who died in July is due to be held at Basingstoke Magistrates Court next Wednesday, October 22.

Jay Benton, 18, from Berkeley Drive, Brighton Hill, was found by paramedics in cardiac arrest on July 2 at a house in Frescade Cresent, Kings Furlong, but died at Basingstoke Hospital.

A murder investigation was dropped earlier this month.

Vet nurse award

BASINGSTOKE: Animal charity Blue Cross awarded 'Vet Nurse of the Year 2014' to a Basingstoke woman on Friday, October 10.

Jo Hinde, 35, a volunteer for the Rabbit Welfare Association Fund, was nominated for her work and rabbit welfare campaigning.

She was handed the award at the British Veterinary Nursing Association (BVNA) Congress in Telford, Shropshire.

More than 100 hospital appointments cancelled as staff strike with placards

MORE than 70 staff from Basingstoke's hospital took to the picket lines to protests against low NHS wages on Monday morning.

More than 100 appointments were cancelled but emergency services ran as normal.

The group branded placards as part of national strikes from 7am to 11am against a government pay freeze for hospital workers - they were refused a one per cent pay rise.

Steve Rolfe, branch secretary at Unison union said: "I am overwhelmed.

"It was a very positive and lively atmosphere – the best I have seen.

"I think we sent a strong message to the government.

"Midwives were angry and we got more support than we anticipated."

The Royal College of Midwives protested for the first time in their history and trade unions led the nurses, midwives and ambulance staff.

Councillor Paul Harvey, Labour's candidate for Basingstoke, attended the protest and said: "It was a really amazing turnout.

"The issue is very straightforward: they are not getting a fair deal.

"The wages are not in line with the cost of living in Basingstoke or anywhere else.

"Like everyone, they are not getting by.

"The refusal for a one per cent increase is a disgrace and unions protesting shows how important it is.

"It was a really unified anger. They are not asking for much, just a decent pay rise.

"The people of Basingstoke Hospital work very hard and are really proud of their work but they cannot live on their salary."

Plan for 7,000 homes goes to Government

BASINGSTOKE and Deane's local plan setting out where 6,940 homes are to be built was submitted to the Secretary of State for approval last week.

By **Mathew Di Salvo**
mathew@taylornewspapers.co.uk

It allocates where houses will be built in the borough over the next 15 years.

Most have been set for Manydown - where 3,400 homes are to be built on a 2,000-acre development.

Cabinet member for planning, Mark Ruffell, said: "This is a key step towards having an adopted plan which will allow the council to make important decisions about where development goes.

"The longer we continue without a plan, the greater the risk of these decisions being taken out of our hands."

Government figures have stipulated that 748 new homes a year need to be built for Basingstoke to meet its housing allocation.

The final draft version of the local plan was published in April before a consultation ran from April to June.

The number of houses to be built on Manydown jumped from 3,100 to 3,400, and the number for Kennel Farm has been upped from 250 to 310.

The housing allocation East of Basingstoke was reduced from 900 to 450.

The other sites stayed the same - 1,000 for Basingstoke Golf Course, 450 for land north of Popley Fields, 420 for Razors Farm, 390 for Cufaude Farm, 150 for Redlands, 100 for Swing Swang Lane, 120 for Overton Hill and 150 for land South of Bloswood Lane in Whitchurch.

Residents who commented on the plan will be updated on its process of independent review.

An independent inspector will consider the plan and report back to the council on if it will be approved or if it needs to be altered.

A public inquiry is likely to be held in the next three months.

Progress of the examination can be found at Basingstoke.gov.uk/go/localplan.

TV cameras come to Basingstoke

BASINGSTOKE'S hidden treasures could be uncovered when the BBC's antiques TV show Flog It comes to Basingstoke next month.

The town's living history museum in Worting Road, Milestones Museum, will take centre stage during filming on Friday, November 14 - alongside presenter Paul Martin.

Residents are invited to bring up to three antiques they are interested in selling to have them valued for free.

Mr Martin said: "I previously visited Milestones Museum over ten years ago when Flog It made a film about the evolution of domestic appliances.

"This was very well received by our audience and I'm delighted to be returning to this fantastic museum.

"Hopefully as many people as possible will come along to see us with their items for valuation."

Experts will decide on the day whether the auction items brought forward by people are worthy of auctioning.

The show is in its fourteenth series and regularly draws in an audience of over two million viewers when it is aired weekly.

There will be four editions of Flog It filmed at Milestones Museum - to be aired within a year of recording.

Filming will start at 10am and finish at 4.30pm at the museum in West Ham Leisure Park.

Council sells A340 site for homes development

MORE than 100 homes are to be built off the A340 after the borough council's cabinet approved the sale of its land at the end of last month.

By **Mathew Di Salvo**
mathew@taylornewspapers.co.uk

At a cabinet meeting on September 30, it was agreed the council-owned land would be sold to a private developer for 103 homes to be built– including 40 per cent affordable homes.

The land, known as the Aldermaston Road Triangle site, is near Basingstoke Hospital, between Aldermaston Road (A340) and Priestly Road, and is 1.5 miles from the town centre.

Councillor John Izett, the cabinet member for property, financing and commissioning said: "The Aldermaston Road Triangle offers and exciting opportunity to create a contemporary neighbourhood within Basingstoke.

"It should create a balanced mix of much needed housing including affordable homes as part of a residential led development whilst respecting adjoining land uses.

"The development of the site should provide a sustainable and quality environment where people want to live."

It was revealed that developers were able to bid for the 5.05 acre greenfield site during a marketing period in April.

The winning bidder is set to develop the site into 75 one and two-bedroom homes as well as another 28 flats.

The borough council will not disclose which developer won the land or how much money will be made from the sale of it.

Councillor Clive Sanders chaired the meeting and said: "The site has been discussed for disposal a number of times.

"It should be developed as it sits there out of place with a number of other developments around it. It has been well marketed.

"We have had a number of very interesting submissions and the one being recommended is the best one in terms of value for money and the mix of affordable and other housing which is in accordance with our current policies."

Cllr Izett stated in the report: "I am pleased that this important opportunity to utilise council-owned land is now being taken forward.

"The proposals offer an opportunity to provide attractive, well planned and built new homes in which to live, with gardens and public open spaces.

"The anticipated capital receipt will contribute significantly to new investment elsewhere in the borough."

A target date of February 2016 has been set for development.

Keeping it in the family

TWO Alton show jumping children proved sporting ability clearly is something that runs in the family.

At the Horse of the Year Show in Birmingham, on October 11, 12-year-old Sienna Charles – the daughter of show jumping gold medallist, Peter Charles MBE – won a 128cm Championship title for the second time.

And her brother, 15-year-old Harry Charles, was crowned leading pony show jumper of the year at the horse of the year show the next day.

Speaking of his daughter's success, Peter Charles said: "What she has done is incredible. To me, that is the best achievement I have ever seen at this show."

Peter Charles MBE won team gold in the 2012 London Olympics.

"While children are growing up, riding and caring for ponies is a wonderful thing to do," he added.

"It teaches the children fantastic things about how an animal works.

"It is the most wonderful sport for kids growing up to give them discipline."

WORK to rebuild Basingstoke's fire station will start next summer after plans were given the green light.

Plans to demolish Basingstoke Fire Station in West Ham Close, built in 1967, were approved on September 29.

The £6million project will make the fire station the largest in Hampshire.

Station manager Brian Rudman said: "We are delighted the plans to rebuild our station at Basingstoke have been approved, and that the reality of a modern new facility for both our firefighters and the public has moved a step closer.

"This is an investment in the future of the town and a facility at the heart of the Basingstoke community that will last for many decades.

"As the county's biggest station, this redevelopment is vital and will allow us to provide a stronger, more resilient service to the communities of north Hampshire."

A new training tower with a link to a larger smoke training building will be built and the garage will be able to contain 10 vehicles.

The station is one of the county's most important stations due to its key north-south and east-west road links.

Councillor Sean Keating, of South Ham, said: "We welcome the development of the site.

"The current fire station has got a number of deficiencies, which will now be rectified.

"It will make things more effective for fire fighters during call outs.

"It is the only fire station in town and it is essential that they are able to get around easily and have up-to-date facilities."

Work is due start next summer, 2015, lasting just over a year - to finish by November 2016.

Big plans by Top of Town businesses

TOP of the Town traders are planning to inject more vitality into the area by bringing a monthly craft and artisan market to Market Square.

A new Top of the Town traders association was formed on October 1.

Business owners formed a new partnership with the borough council to attract more shoppers to the area.

Alan Stone, owner of antiques shop The Squirrel Centre was elected chairman.

Mr Stone said: "The main aims are to create a better shopping environment in the Top of the Town area, which will attract new businesses.

"We will also be hoping to tackle local environmental issues, facilitate better communications between all stakeholders."

He added: "Any funds raised by activities will be ploughed back into the Top of the Town area by way of events or entertainments.

"We've got a great bunch of business people in the Top of the Town area, many of whom have lived in the town all their lives.

"They are all passionate about improving the area to benefit the whole community."

The first regular monthly market is to be planned for mid-November.

A Christmas market organised by Destination Basingstoke is scheduled for December 5 and 6.

There are also plans to set up a Top of the Town website.

Petition of hundreds against new stadium

A PETITION of over 500 signatures was handed to Basingstoke's council on Friday in protest of plans to build Basingstoke Town Football Club's new stadium in Eastrop.

A six-week long public consultation by Basingstoke and Deane Borough Council on the £10million plans for a 5,124-seater stadium in Old Common Road ended on Friday, October 10.

Basingstoke Heritage Society (BHS) and Natural Basingstoke presented the petition to Councillor Stuart Parker, of Eastrop, at the council's offices in London Road at 4pm that day.

By **Mathew Di Salvo**
mathew@taylornewspapers.co.uk

In two weeks the petition, which launched on September 25, collected just over 500 names.

BHS secretery Debbie Reavell said: "Obviously we are sympathetic to the club's need to leave their stadium - they need a bigger and better venue but the question of where they relocate is the problem.

"The Old Common site is too close to residential areas.

"The loss of the last piece of open space for residents who live within the central town area is why we are opposed to the plans.

"Its loss would affect quality of life in an increasingly crowded part of the town.

"The noise and nuisance for local residents is also a huge concern."

Basingstoke Town FC wants to upgrade its current Soccer AM Stadium in Western Way, which holds 2,500.

The Conference South division side says it has ambition for the future.

But the plans came under fire because of the loss of open space on the land next to the Hilton hotel.

Mrs Reavell added: "It is a wonderful deal except for the people who live near it, use the open space and don't have a commercial interest - the council needs to think again."

A redevelopment of the old Soccer AM stadium in Western Way into a retail park would fund the development of the new stadium.

The council's portfolio holder for the project, John Izett, said a decision should be made at the end of the month – after consultation feedback is analysed.

Liberal Democrats

Sacrifice human rights?

FROM time to time the Human Rights Act gets bad press - often due to inaccurate reporting.

Our political leaders are obsessed with having power over us.

The Conservatives want to read your emails and track every website you visit and have pledged to scrap human rights.

The last Labour government had an obsession with DNA, children's databases and an ID card scheme that would have made forgetting your wallet a criminal offence.

Leaving the protection of the European Court of Human Rights would mean British people have fewer rights than those of all the other European states.

Does that sound like a good deal?

Is it healthy for so much unchecked power to rest in the hands of the powerful? Self-regulation resulted in press phone hacking.

Leaving the banks to regulate themselves didn't work out too well either.

Remember what happened when we left politicians to police their own expenses system?

Do you want to leave your rights at the mercy of the government of the day?

One of the most positive outcomes of the Second World War was the formation of the European Convention on Human Rights.

It meant that no government could ever persecute you due to your beliefs or ethnic background in the way Hitler had persecuted the Jews and others.

Why would we give up our rights and freedoms?

And a frightening thought, why are the Conservatives desperate for you to give your rights and freedoms up?

Housing changes 'will leave people in limbo'

COUNCILLORS fought back at plans to make it harder for people to get onto the housing waiting list last week.

Several councillors challenged plans to make it more difficult to qualify for social housing at a housing meeting on Thursday, October 9.

The changes would remove over 3,000 people from the waiting list.

Councillor Paul Harvey, of Norden, said: "I have resident after resident who don't qualify for social housing but can't get a mortgage and probably can't afford to rent in the private sector.

"And because of what you are doing this evening with the proposal, you will be leading those people into limbo."

If approved, 1,130 people could be removed from the list because they do not have good links to Basingstoke and Deane.

Homeowners, people with an annual household income of over £50,000, and people with savings of more than £16,000 would also be removed.

During a public consultation last year of 408 residents, 76 per cent said applicants with more than £30,000 savings should be removed from the housing waiting list.

But in the new plans, the figure has been lowered to £16,000.

By **Mathew Di Salvo**
mathew@taylornewspapers.co.uk

Councillor Laura James, also of Norden, argued another consultation should ask what people think of the new figure of £16,000.

But committee chairman Paul Miller said: "You can consultation these things to death but you have got to reach a point when you draw a line, you put it in policy and you move forward."

He added: "We have arrived at a stage with a policy that could work.

"With officer's experience and advice, we should note and endorse that work."

Cllr Harvey said: "I would like to register my opposition to it, but I totally appreciate that politically the administration - or rather the cabinet - are going to do this and we will have to live with the consequences.

"I would like to completely re-write this."

Councillor Stuart Parker, Eastrop, added: "I do have concern about the upset to families that will be caused.

"I don't believe the private sector will satisfy their needs."

Basingstoke and Deane Borough Council's cabinet are due to make a decision in December.

Care home resident given champion award

AN ELDERLY woman from Basingstoke won a care home award down to her contagious good humour.

Doreen Waller, 81, won a Home Champion award at Pemberley House care home in Grove Road.

She was surprised with a prize of flowers and a hamper from Mayor of Basingstoke Roger Gardiner at a ceremony on Monday, September 29.

· Doreen Waller, 81, being awarded the prize by Mayor of Basingstoke Roger Gardiner

Pemberley House floor manager Millie Solley said: "Doreen makes everyone feel so good, and she doesn't even realise it so she was the obvious winner.

"Her love of dance and music is infectious and rubs off on all of us here."

Residents, family and staff nominated Mrs Waller – who has been married for 58 years – as she is "always happy and smiling and brightens everybody's day."

The Home Champion awards marked UK Older People's Day on October 1, to celebrate the achievements and contributions the elderly make.

Cllr Gardiner, said: "This is my third visit to Pemberley House and every time I am blown away by the facilities and care here. It really is a splendid home.

"It's so important to celebrate older people. They have all given so much during their lifetimes and have made such a difference in so many ways. This award is the perfect way to of saying thank you to them all."

Remembrance

BASINGSTOKE: A service to remember the sacrifice of fallen soldiers has been set for 11pm on Remembrance Sunday at the town's War Memorial.

Residents are invited to attend the service on November 9 marking the annual national day of remembrance.

Mayor of Basingstoke Roger Gardiner said: "We remember the sacrifices made by our Armed Forces in order that we and future generations are able to live in peace and freedom.

"This is particularly poignant on the hundredth anniversary of the start of the Great War in 1914 and bearing in mind recent and current conflicts."

Dog safety

BASINGSTOKE: A free drop-in dog safety workshop will run at Basingstoke Discovery Centre on Tuesday, October 28.

New kid on the block

FRESH-FACED comedian Tony Jameson is making his way to the home of Basingstoke Town Football Club next Thursday, October 23, for his first ever UK tour, 'Football Manager Ruined my Life'.

By **James Richings**
jamesr@taylornewspapers.co.uk

The tour is stopping off at the Soccer Am Stadium on its three-month spree.

"The show is largely story based, although there's a number of football gags in it too", the North-East comedian said.

"I like shows to be quite interactive, so the audience will be able to play a part by regaling their Football Manager tales to everyone as well.

"There's certainly a lot of football-based jokes and gags in here, but there's also a story running throughout the show, which I feel adds a human element to it.

"You don't need to be a football expert to get the show, but for those that are, there's a few extra things in their just for them."

The 34-year-old from Washington, near Sunderland, is travelling to various venues including three football stadiums during the tour's run from September 30 to January 29.

He continued: "I think given the theme of the show, and the audience demographic that have turned up to previous shows, football stadiums seemed like the most natural venues to be honest.

"I think a football stadium is a symbol of the town/city because they're part of the community. And I think we'll have a slightly different experience at the stadiums than we will in theatres."

Avid stand-up fans will already be familiar with Jameson's work - the comedian has done warm up shows for fellow comics including Kevin Bridges, Frankie Boyle and Stewart Francis.

The £10 to £12 show starts at 8pm.

Alan Davies

IF you don't know anything about Alan Davies already, you certainly will after next week.

By **Jack Johnson**
jack@taylornewspapers.co.uk

The comedian and actor comes to The Anvil on Thursday, October 23, with his new show 'Little Victories'.

QI and Jonathan Creek star Alan began stand-up in 1988 and after a prolonged hiatus is back in Basingstoke for his second tour in the space of two years.

The dad-of-two and devoted Arsenal fan returned to stand-up in 2012 with his 'Life Is Pain' tour, and is now back on the road with 'Little Victories'.

Alan admitted the overwhelming positive response to 'Life Is Pain' was "gratifying" and hopes the public will come flooding back to see him.

"There are people that remember me as a stand-up from the '90s but the majority of people didn't know what I was going to be like," he said.

"I'm hoping they will come back for the new tour or they might stay away and think 'my god, he's awful', we'll find out."

The 48-year-old says 'Little Victories' is all about his experiences as a parent, son and husband and hopes there is something in his material for everyone.

"It's quite personal this one and you will find out a fair bit about me and my family life," he said.

"But what I am trying to do is relate to anybody who is a son, a parent, a partner, or at school, there is something in it for everyone.

"It's quite nice to do an honest, straight-forward show where I tell true stories and try and make the audience laugh if I can."

Alan started stand-up at 22 and despite various acting roles, including playing supernatural mystery solver Jonathan Creek for 17 years, says comedy is his true love.

"I always wanted to do comedy as a teenager and have always loved it and I like hearing laughter," he said.

"It's nice to still be doing it - you always think one day somebody's going to slap you on the shoulder and say 'you've had your go', but I'm still going."

And Alan is certainly looking forward to returning to the town and insisted on dubbing it 'Amazingstoke'.

"Last time I had a good show there, it was very enjoyable and a full house," he said.

"A lot of comedians go through there, they are very comedy savvy, they won't put up with any old crap; that's the way it should be."

Tickets cost £26 for an 8pm start.

Spiritualist

MEDIUM and spiritualist Lesley Carver will be at Hampshire Court Hotel in Chineham on Sunday, October 16.

She's warning to expect a lighthearted evening of laughter and tears, as Lesley delivers messages from those who have passed on.

Illegal Eagles

Expect classics such as, 'Take it Easy', 'Hotel California', 'Life in the Fast Lane' and 'Tequila Sunrise'.

Tickets cost £22.50 for the show starting at 7.45pm.

'60s classics

THE Bootleg Shadows will be performing sixties classics at The Haymarket on October 24.

WIN tickets to see Three Men in a Boat!

ORIGINAL Theatre Company & Theatre Royal Bury St Edmunds present Three Men in a Boat at The Haymarket on Friday 31 October and Saturday 1 November, 7.30pm

Returning to The Haymarket after huge success in 2012, Craig Gilbert's ingenious, acclaimed adaption of Jerome K Jerome's classic tale of boating misadventure is back, armed with more singing, wilder adventures and sporting even brighter blazers.

Originally intended as a guide to boating on the Thames, Jerome's ripping yarn of youthful friendship, mischief and folly celebrates the very essence of Britishness inspiring many of our comic legends from Morecambe and Wise to Monty Python.

Original Theatre Company take this classic tale of British misadventure and folly by the scruff of the neck. Equipped with a working pub, live piano accompaniment, some ale, music hall singing, a dog and a feast of physical comedy, settle yourself in for a night out to remember.

Tickets: £18; over 65s £16; under 16s & full-time students £11 (includes £1 booking fee)

Win tickets!

We have 2 pairs of tickets for the 7:30 performance on Friday October 31, and to be in with a chance of winning one just answer the following question:

Closing date:
Wednesday, October 29, 2014

Q: On which river does Three Men in a Boat take place?

Advanced Digital Imaging

OCT will give accurate diagnosis:

- AMD
- Diabetic Maculopathy
- Macular Hole
- Epiretinal Membrane
- Early detection of Glaucoma

*It is estimated that approximately 2% of people over the age of 40 will have Glaucoma.

*Statistics obtained from The International Glaucoma Association.

What is an OCT scan?

This practice has invested in the very latest OCT scanning technology.

An Optical Coherence Tomography (OCT) scan is a unique test which uses near-infrared light reflected off the retina to produce a high resolution 3-Dimensional scan of the retina and associated structures.

It is particularly useful in the assessment of patients with AMD, Diabetic Maculopathy, early detection of Glaucoma and the management of these diseases. The test is non invasive, quick and entirely painless.

Am I at risk of Glaucoma?

Are you over 40?
Do you have a family history of Glaucoma?
Are you short sighted?
Do you have diabetes?
Are you of African-Caribbean origin?

If the answer is yes to any of these questions, then you are at an increased risk and should definitely have your eyes tested regularly.*

Why has this practice invested in OCT?

We believe this advanced imagery allows us to detect and monitor early stages of diseases and as this examination is not available under the NHS, we make an additional charge for this scan. Please ask for further details.

This assessment of your eyes using OCT Technology will give us the most accurate diagnosis possible and help us give you the best advice to protect your sight and the health of your eyes.

Your eyes deserve the benefits of cutting edge technology available at this practice.

Ford offers up its newest green SUV for £14,995 to £16,495 in petrol and diesel

Second generation EcoSport

REVIEW: Ford EcoSport
By **James Richings**

SINCE its introduction to the world in 1903, Ford has released a number of iconic vehicles we witness on a daily basis.

The Escort, the Focus, the Mondeo and the Fusion spring to mind.

And the car giant has added a second generation Ford EcoSport to the line.

The latest edition has a high ground clearance, front and rear skid plates and rear-mounted spare wheel.

It includes 16" alloy wheels, front and rear skid plates, a rear-mounted spare wheel and silver roof rails.

For mod cons the new EcoSport includes an internal calls and music system used by voice command - from which you can also access text messages.

It comes in either a petrol or a diesel motor.

The car's body shape and design details like the rear pillar 'kicker,' are meant to deliver a lower wind resistance and aim to give better fuel efficiency.

The new 1.0 litre three-cylinder EcoBoost petrol engine, claims to give you all the power you would expect from a conventional 1.6 engine (up to 125 PS), while delivering around 24 per cent better fuel economy and 25 per cent lower CO2 emissions.

In the 1.5 litre DV5 diesel option, you can enjoy up to 91PS of power, as well as 61.4 combined mpg fuel efficiency.

This advanced engine is available with a five-speed manual transmission that delivers high torque (for fewer gear changes and pulling power) and CO2 emissions of just 120g/km.

In recognition of its advanced technology and exceptional efficiency, EcoBoost has been awarded International Engine of the Year on two separate occasions.

Prices for the latest generation of the Ford EcoSport will range from £14,995 to £16,495.

Taking care of your motor

FASTFIT Service Centre is celebrating its tenth anniversary at Unit One, Moniton Trading Estate in West Ham Lane.

And the independent automotive specialist is proud to be expanding in a bid to give its customers exactly what they want. "Everything your car needs is here under one roof", explained manager Byron Lewis who, like his team of experts, has spent a lifetime in the automotive industry.

He added: At Fastfit we offer hourly rates which are some of the best in Basingstoke. No job is beyond us and we are quite simply a one-stop shop and more besides. Whether it's and entire engine overhaul or just tweaking the brakes. we will do it, and do it well."

The business is continually expanding and includes a new mobile tyre fitting and home start service. A comprehensive diagnostic service can also be provided and the business issues many dealer level tools ranging from Ford, Jaguar to Land Rover and Volkswagen.

Fastfit offers everything from MOTs and minor servicing to major repairs and complex engine work.

More complex issues include an Engine Control Unit (ECU) remapping service which makes the vehicle more responsive and smoother to driver. In these tough time, it also slightly increases the miles-per-gallon!

Fastfit Service Centre also stocks a rang of budget or performance tyres and it can also custom build stainless steel exhaust systems.

"Come and give us a try. You won't be disappointed," concluded Byron.

What our customers think

• My car had been taken to three different repair centres which was suffering from low power none of them diagnosed the problem. I took it to these guys for a remap and full exhaust in the hopes it would fix it. It was better but Byron still thought it wasn't right so spent another couple of hours diagnosing it! He didn't charge me extra and even finished after they should of closed. You just don't get that kind of service these days. Amazing!
Cheers,
Clive Baldwin

• Great service from the whole of the Fast Fit team. They know what they are talking about and are happy to help with any query.
I wanted something activated on my car that was not activated at the factory. A dealer wanted upwards of £100 to do the job, I contacted Fast Fit and they have the same Dealer Software. Done the job quick and for a third of the price!
These guys definitely know what they're talking about and I would recommend them to anyone!
Chris H

• Excellent service! Very polite and great value for money prices! I will recommend to friends and family. If you need your car repaired at the right price don't look any further.

Basingstoke Bison stung by last gasp Bees strike

BASINGSTOKE Bison were knocked off the top of the English Premier Ice Hockey League last Sunday as they were undone by Bracknell Bees in the dying seconds.

By **Jack Johnson**
jack@taylornewspapers.co.uk

Lukas Smital's short-handed strike with just 10 seconds remaining saw the Bees beat the Herd 4-3 and condemn Doug Sheppard's side to their first regulation time defeat of the season.

Sunday's loss saw Bison slip down to third in the table, two points behind Telford Tigers.

However, the day before it had looked optimistic for the Herd as Joe Rand hit a hat-trick in a 5-3 win over Sheffield Steeldogs, keeping them top of the table until Sunday.

Bison started well against the Bees as Sheppard opened the scoring before assisting Michael Wales' short-handed effort.

Ivan Antonov brought the Bees back within one but Sheppard restored the advantage.

However, the Bees brought the game level heading into the third period thanks to Smital and Jan Bendik.

The game looked to be heading for overtime when Smital denied the Herd another week at the top of the table.

On Saturday, Bison raced into a three-goal lead in the first period with Rand (2) and Tomas Karpov netting.

Michael Wales extended Bison's advantage, before Tom Squires netted for the visitors.

Lubomir Korhan then struck for the Steeldogs but Rand completed his hat-trick.

Korhan netted again but the Herd held on.

Next up for Bison is a home fixture against Manchester Phoenix on Saturday before a trip to Sheffield Steeldogs on Sunday.

The face-off this Saturday is due to start at 6.30pm.

Collard on the podium in last round of season

ROB Collard ended his British Touring Car Championship campaign with a podium at Brands Hatch last Sunday.

The Hook-based driver secured sixth place in the championship as a result as eBay Motors teammate Colin Turkington claimed the drivers title.

Collard suffered a mixed weekend at the Brands Hatch GP circuit, finishing sixth in the first race before a podium drive in the second.

However, he was unable to finish race three as the circuit was hit by treacherous conditions.

His other team-mate Nick Foster enjoyed a good weekend in comparison to only collecting three points from the previous two rounds.

Foster finished 10th in race one before securing nine and eighth placed drives, seeing him finish 16th in the championship with 101 points.

Turkington won the title by 35 points from MG KX Clubcard Fuel Save driver Jason Plato.

Brilliant Denham hits six as Tadley Calleva thump East Cowes

BRETT Denham scored six goals as Tadley Calleva hammered East Cowes Victoria 9-1 in Wessex Division One last Saturday.

The emphatic win lifts Calleva up to third in the table as they maintained their unbeaten run in some style.

And Denham grabbed all the headlines with his double hat-trick while Shaun Dallimore scored a brace and James Tennant also netted.

There were also wins for Hartley Wintney in the Combined Counties Premier and Whitchurch United in the Wessex Premier.

Tom Walsh scored the only goal of the game as Wintney beat Horley Town 1-0, while Danny Phillips, Josh Harfield and Josh Green netted as Whitchurch United won 3-1 at home to Newport (Isle of Wight).

All three North Hampshire football sides are in league action this weekend.

Wintney welcome Farnham Town to the Memorial Playing Fields, Whitchurch make the short trip to Winchester City and Calleva play host to Andover New Street.

'Stoke beaten

BASINGSTOKE RFC suffered a narrow 29-24 defeat at Brighton last Saturday, despite a spirited second-half comeback.

The defeat ended 'Stoke's three-match winning run in London 1 South and they are now 11th in the standings after a 15-point penalty for fielding an unregistered player was confirmed.

'Stoke trailed 22-7 at half-time and despite outscoring Brighton after the break they ultimately lost by five points.

Basingstoke are next in action on Saturday when they welcome Sidcup to Down Grange in Pack Lane.

Deflection denies Town first victory

DAVE Stones netted for Basingstoke Hockey Club as they were held 1-1 by Wanderers 1 last Saturday.

Basingstoke were looking to forget a 5-1 hammering by Winchester 1 on the opening day of the season a week before but they were held to a frustrating draw.

After controlling the first half, Basingstoke deservedly took the lead as Stones tapped home after good work from Ben Shaughnessy.

However, Wanderers found an equaliser with 10 minutes remaining as a reverse stick shot struck Alex Miller and deflected into the back of the empty net.

Basingstoke face Chichester 2 on Saturday.

Women defeated

BASINGSTOKE Town Ladies were beaten 1-0 by league leaders Woodley United last Saturday.

Nicola Froud scored the only goal of the game to condemn Town to their third defeat of the season.

Town are currently sixth in the Southern Region Premier League with six points.

Basingstoke are next in action on October 26 when they face Woodley United another time, this time in the League Cup.

BRISTOW HAILS TOWN'S SPIRIT

MANAGER Jason Bristow praised the spirit of his players and the fans after Basingstoke Town moved to within one win of the first round of the FA Cup.

By **Jack Johnson**
jack@taylornewspapers.co.uk

Second half goals from Chris Flood and Liam Enver-Marum earned Town a 2-1 win over Conference South rivals Ebbsfleet United in the third qualifying round last Saturday.

And their reward is a home tie against Isthmian League Premier Division side Harrow Borough in the fourth qualifying round on October 25.

Town are currently on a five-match winning run in all competitions putting them top of the league and Bristow is delighted with the attitude on the pitch and in the stands.

He said: "The squad is very positive and the spirit between the players is fantastic, as good as I have known it here for a long time.

"The really good thing is that we are producing on the pitch and the supporters are really getting behind the side and have been fantastic all season but particularly the last few games.

"Hopefully they are feeling they are a part of the side because they really are helping and the spirit amongst the fans and the players has been fantastic and something we want to continue."

Bristow was forced into two changes last weekend with Jamie Brown and Andy Jenkinson replacing the injured Simon Dunn and suspended Manny Williams.

Charlie Sheringham put Ebbsfleet ahead on 52 minutes but, after Stuart Moore made a string of fine saves, Flood equalised before Enver-Marum headed home to win it.

Bristow added: "It was a fantastic win and a real team performance but we can certainly turn round and thank our goalkeeper for keeping us in it for large spells of the game.

"But credit goes to the whole side and the most important thing was that we were still in the hat and we managed to get the win so I'm delighted for everyone."

Town will look to remain top of the table this weekend as they make the trip to 18th-placed Wealdstone who are unbeaten in their last two league games.

Bristow added: "Hopefully we can make it a good game and come away with three points."
